

Wexford GAA Handball
2019 County 40x20 Championship Fixture 14 (semi finals)

Duties of Officials-in-Charge

- a. To appoint referees for matches. Ideally these should not be from a participating club. This can be arranged beforehand if necessary.
- b. To advise players not properly attired in official club colours of RULE 112 which states that those not in compliance will have the match awarded against them. Doubles pairings must have matching jerseys and togs.
- c. To text in the result to 087-2060715 on the night of the match.

If an OIC is unable to attend at the venue they should contact the secretary of the CCCC at 087-2060715 beforehand so that a replacement can be appointed.

Note that some of these matches could be subject to change if clashes occur with Leinster fixtures. In that event other matches may also change so that we keep two match programmes where it is possible to do so.
